A bilayer scaffold of collagen and nanohydroxyapatite promotes osteochondral defect repair in rabbit knee joints

Published online date: 27 February 2025:  
<https://boneandjoint.org.uk/Article/10.1302/2046-3758.142.BJR-2024-0171.R1>

The title, given as “A bilayer scaffold of collagen and nanohydroxyapatite promotes osteochondral defect in rabbit knee joints”, should have been given as “A bilayer scaffold of collagen and nanohydroxyapatite promotes osteochondral defect repair in rabbit knee joints”.

The correct version is now available online.
