

Reviewer acknowledgement

I would like to publicly thank all our reviewers for their hard work and support of *The Bone & Joint Journal* over the last year. The names listed here are not exhaustive, but a special recognition of their significant contribution in terms of the number of papers they have reviewed for us this year. I look forward to working with you in the year ahead.

Professor Fares S. Haddad, Editor-in-Chief.

A full list acknowledging all of our reviewers is available as supplementary material.
